- 1.3. Ensure that any harm that is identified, regardless of where it occurred, is handled effectively, promptly, and proportionately
- 1.4. Ensure that when supporting people who have experienced harm:
 - 1.4.1. We treat with dignity, respect, and compassion
 - 1.4.2. That their views and wishes are given full consideration
 - 1.4.3. That we act in their best interest
 - 1.4.4. That we ensure they are appropriately involved in and informed of decisions that affect them
- 1.5. Ensure that where concerns or support needs that fall below the threshold for reporting to statutory services are identified, responses that are appropriate, proportionate, and consent-based are made
- 1.6. Ensure that appropriate, confidential safeguarding records, that allow us to fulfil our duty of care to protect and promote the wellbeing of those to whom we minister, are securely kept, and disposed of in line with our legal duties and best practice under both safeguarding and data-protection legislation and guidance (*our data storage and disposal procedures are being developed, October 2023*)
- 1.7. Ensure that our trustees, staff, and volunteers are clear about their responsibilities and duties and are supported to fulfil them competently and confidently
- 1.8. Support the development of an open and transparent culture that listens to the views and wishes of every member of our church community and encourages and supports the raising of concerns, complaints, and allegations
- 1.9. Provide leadership and accountability for every member of our church community, including our most senior leaders in relation to safeguarding
- 1.10. Ensure that all our ministry, is provided in a manner that is consistent with our biblical beliefs, and that where challenge, or even formal church discipline are required, that Christian love, grace and mercy, gentleness and kindness characterise our interactions
- 1.11. Ensure that our leaders model biblical and Christlike servant leadership, valuing, caring for and nurturing those that God brings under their authority with meekness and humility, as those who will give an account in the final judgement
- 1.12. Ensure that all church members have a basic understanding of safeguarding and that they understand their responsibility to raise and challenge any abusive behaviours

2. Scope

- 2.1. This policy applies in particular to staff or volunteers who work on our behalf with vulnerable people (children, young people, their parents / carers, adults at risk of abuse or adults with care and support needs) and to those who have leadership and oversight of the church's activities. This includes trustees, senior leaders, group / ministry leaders, volunteers, or others working on our behalf
- 2.2. The policy also outlines the general responsibilities of every member of our church community to raise concerns about individuals or practice in the church with the appropriate officers.

3. Context

Penistone Community Church is a Charitable Incorporated Organisation (CIO), charity number 1187540.

The Church is a small organisation, with small numbers of children in a group, sometimes as low as one child.

The object of the CIO is the advancement of the Christian faith, principally, but not exclusively within Penistone and the surrounding area.

The main activities of the organisation are Christian worship, ministry and service.

The organisation is led by the Elders and Trustees. The Elders are Dyfrig Hughes and Lourens Van Tonder. The trustees are Stewart Andrew, Catherine Burnham and Rebecca Meredith. Decisions are made by the Trustees and the Elders, along with the Treasurer, Paul Burnham.

4. Definitions

Additional needs: is a term most often applied to children who require support beyond what we would usually expect to provide to a child of that age or developments stage.

Adult: a person who is at least 18 years of age

Adult at risk of abuse / in need of protection: refers to adults who have care and support needs, are at risk of abuse, and due to their support needs are unable to protect themselves from the abuse.

Adult with care and / or support needs: refers to an adult who requires help with day-to-day tasks that most people would be able to perform for themselves.

Child: A child is a person who has not yet attained their 18th birthday which aligns with the United Nations Convention of the Rights of the Child. Unborn children are included within the scope of Child Protection.

Child in Need: Similar to targeted safeguarding, this refers to care and support that is offered to a child or family with more complex needs such that if effective support is not provided, the child is unlikely to achieve or maintain a satisfactory level of health, development, or wellbeing.

Child Protection: refers to safeguarding activity that has met the statutory threshold for referral to the Police or Social Care and involves the prevention of, or response to “significant harm”.

Elder(s): refers to those appointed by the church to that office to provide spiritual leadership and instruction. The Elders have the spiritual authority within the church.

Officers: refers to all those who hold formal office in the church including Elders, Trustees and Treasurer.

Regulated activity: refers to activity that a barred person must not do. In simple terms, it is activity that requires a DBS check.

Safeguarding arrangements: is used in this policy, procedures and related documents as a generic term that includes all aspects of the church’s approach to safeguarding, including matters related to policy, process, culture, and practice

Single Central Record: is the master record of all pre-appointment checks and processes that were completed prior to appointment to a role.

Spectrum of safeguarding: is the whole range of safeguarding activities that includes universal safeguarding, consent-based care, and support (i.e., support that falls below the statutory threshold), and the statutory responsibility to protect children, young people, and adults at risk of abuse from significant harm.

Staff: refers to any paid employee or office holder.

Statutory threshold: the point at which the church has a duty to report a concern to report a matter to one of the statutory bodies such as the Police, Social Care, or the Charity Commission.

Sub-threshold (or consent based) safeguarding: matters or concerns which do not meet the criteria for referral to statutory authorities. These issues may still be serious and require a response from the church, however, internal processes will be followed.

Targeted Safeguarding: care or support that is offered to a child or their family on the basis of consent to prevent harm and promote wellbeing where there is a risk of poor outcomes from the individual if their support needs are not met.

Trustee(s) refers to those who are legally responsible for the governance and oversight of the charity.

Universal safeguarding: activity that is required to keep everyone safe. This includes those who have no additional needs and includes the interface with other aspects of safety such as Health and Safety and employer responsibilities.

Volunteer(s): refers to anyone who is appointed by the church to a role or who performs identified tasks on behalf of the church for which they receive no payment (other than out-of-pocket expenses that are appropriately authorised).

Vulnerable people: is a generic term that can be used to mean different things and so care is needed. In the context of this policy, the term is used in a generic sense to include anyone who has a support or care need or whose ability to protect themselves against abuse is limited. This includes children, young people, adults with support needs and adults at risk of abuse. It also includes those who, due to specific individual circumstances find themselves, either for a short time or over a more extended time, requiring additional care, support, or protection, but who would not otherwise be regarded as needing support.

5. Values and beliefs

We believe that:

- 5.1. Safeguarding Procedures

7. Purpose

These procedures aim to provide staff and volunteers with clear and simple instructions as to how safeguarding is promoted and how concerns should be handled. They are not provided for training purposes and will not be used as a substitute for training.

8. Scope

These procedures apply to all staff and volunteers and others who act on behalf of the church.

9. Governance and oversight

The Trustees will provide effective oversight of safeguarding across the church by:

- 9.1. Ensuring that they appoint from amongst their number a nominated Safeguarding Trustee who will act on their behalf to provide leadership and guidance on matters related to safeguarding
- 9.2. Ensuring that the church leadership promote the importance of safeguarding and lead the development of a culture that is biblically faithful, healthy, transparent, and accountable and that safeguarding is appropriately prioritised, and its profile maintained
- 9.3. Ensuring that a suitably knowledgeable and appropriately trained and skilled Designated Safeguarding Lead (DSL) and a deputy are appointed and that they are adequately supported and resourced
- 9.4. Ensuring that a proportionate and legally compliant safeguarding policy is implemented and that it is reviewed by the trustees with input and support from the DSL and Deputy DSL at least annually, but more frequently as required
- 9.5. Ensuring that clearly defined safeguarding procedures and systems are in place, that they are understood and implemented by all staff, volunteers, and anyone else who acts on our behalf

- 9.10. That any "Serious Incidents" (as defined in the Charity Commission Guidance - <https://www.gov.uk/guidance/how-to-report-a-serious-incident-in-your-charity>) are reported accurately and in a timely manner

10. Recruitment and ongoing support of staff and volunteers

The recruitment / appointment and support of staff and volunteers is of critical importance to Penistone Community Church and to our work and ministry. To fulfil our legal duties and to ensure we meet the still higher standards dictated by scripture, all staff and volunteers will be subject to appropriate recruitment processes.

10.1. Management of recruitment processes

- 10.1.1.1. Roles that involve regulated activity and which consequently are subject to a DBS check will be clearly identified as exempt from the Rehabilitation of Offenders Act
- 10.1.2. A "Single Central Record" of recruitment checks and a training log will be maintained

DBS Checks

- 10.1.3. Following appointment and prior to commencement of the role, staff and volunteers involved in regulated activity will be required to complete a DBS check
 - 10.1.3.1. Under normal circumstances, the individual will not commence their role until the result of the DBS check has been received
 - 10.1.3.2. Under exceptional circumstances and where it is necessary for the person to commence prior to receipt of the DBS check result, a formal risk assessment will be completed
 - 10.1.3.3. A formal agreement that outlines the duties that are permitted, and all measures implemented to prevent the individual having unsupervised access to vulnerable people will be drawn up and signed by the appointee and the DSL or the Safeguarding Trustee
- 10.1.4. Once formal notification of a clear DBS check has been received, the Single Central Record will be updated with the relevant information

Blemished DBS Checks

- 10.1.5. The applicant will be asked to present the DBS certificate to the Lead Recruiter
 - 10.1.5.1. The applicant may, if they wish to, withdraw their application
 - 10.1.5.2. If the application is withdrawn, consideration should be given to whether this required the triggering of the “Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people” (*see section 14 of this policy*) process needs to be triggered
- 10.1.6. If the applicant self-declared the blemish and it has been discussed previously, the recruiter will check to ensure that the detail provided in the self-disclosure is consistent with the information on the DBS certificate
- 10.1.7. If the applicant did not self-disclose, an open conversation about the circumstances of the blemish will be discussed with the applicant
- 10.1.8. Whether the discussion arises from self-disclosure or examination of the certificate, a formal assessment will be conducted to ascertain the applicant’s suitability for the role and the outcome will be recorded
 - 10.1.8.1. Advice can be sought from CSS if required
 - 10.1.8.2. The applicant will be given every opportunity to provide input to the assessment and the outcome will be explained to them
- 10.1.9. A blemished DBS check does not necessarily prevent the individual from engaging in regulated activity. The risk assessment may conclude:
 - 10.1.9.1. That the individual is unsuitable for the role
 - 10.1.9.2. That further investigation is required
 - 10.1.9.3. That the person is suitable for the role with restrictions
 - 10.1.9.4. That the blemish does not indicate unsuitability
- 10.1.10. If the risk assessment concludes that the individual is unsuitable for the role, consideration will be given to whether the “Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people” (*see section 14 of this policy*) process needs to be triggered
- 10.1.11. Once the details of the certificate have been recorded in the Single Central Record, the certificate will be returned to the applicant and no copies will be retained

Ongoing support and supervision

10.1.12. All volunteers will receive proportionate supervision and pastoral care.

10.1.13. Where DBS checks are required, these will be updated at least every three years

Training

10.1.14. All volunteers in roles that involve regulated activity or those who manage such staff will be required to attend regular safeguarding training

10.1.14.1. Trustees will receive initial training. While there is no legal requirement for formal update training, the trustees will ensure that they are competent in their roles and that their knowledge of compliance with legislation and Charity Commission guidance up to date

10.1.14.2. Church elders will refresh their training every three years

10.1.14.3. Volunteers and staff involved in working with children, young people, or adults at risk of abuse are required to update their training at least every three years

10.1.14.4. The Designated Safeguarding Lead and the Deputy DSL are required to attend formal update training at least every two years

10.1.14.5. All staff, volunteers and trustees will undergo some informal update activity annually

10.1.14.6. Training should include themes on domestic abuse and trauma and the impact on victims including children.

10.1.14.7. Children are now regarded by law (Domestic Abuse Act 2021) as victims of domestic abuse if they are living in a home where their parents or relational care givers are abusing each other.

10.1.15. A log of training and DBS checks will be maintained by the church

11. Ensuring a safe and healthy environment

Penistone Community Church fully recognises that there are many factors that impact on and contribute to the safety of the environment for everyone; some of these being procedural and others cultural. Here we describe only the procedural aspects.

12. Responding to and reporting safeguarding concerns and disclosures

Managing immediate risk

- 12.1. Upon identification of a concern or receipt of a disclosure, the worker involved should make an assessment as to whether any immediate action is necessary to protect the individual
 - 12.1.1. The worker may seek advice from the team leader or from the DSL, however, the seeking of advice should not unnecessarily delay or prevent the protective action or place the individual at risk of further or increased harm
 - 12.1.2. In such urgent situations and if the DSL cannot be immediately contacted, the worker should contact either the police on 999 or Social Care to obtain support (see appendix B). Under such circumstances, the DSL should be notified at the earliest possible opportunity

Reporting concerns to the Designated Safeguarding Lead

- 12.2. Once it has been established that the individual is not, or is no longer in imminent danger, the concern will be reported to the DSL
 - 12.2.1. The concerns will be discussed with the DSL at the earliest opportunity, to ensure clarity of understanding
 - 12.2.2. Details of the concern must be recorded on the “Incidents and concerns reporting form” (See appendix D) either before, during, or immediately after the discussion with the DSL

Managing the risks: the role of the DSL

- 12.3. In discussion with the worker reporting the concern, the DSL will review any immediate actions taken and will be responsible for follow-up or further action that may be required
- 12.4. Upon receipt of the completed form, the DSL will establish a “Confidential File” in relation to the person at risk
 - 12.4.1. A Chronology (See appendix D) will be established and inserted at the front of the confidential file
 - 12.4.2. The confidential file will be updated with any further discussions or actions, including any advice sought or referrals made and updating will continue on an ongoing basis
 - 12.4.2.1. The DSL will confirm to the person raising the concern that the matter has been actioned. The DSL will not provide any unnecessary information. Information is only shared on a “need to know” basis
- 12.5. Where the concern meets the statutory threshold, the DSL will notify the parent or carer of the individual concerned (or the individual themselves if they are a competent adult) that a referral is being made to Social Care
 - 12.5.1. Information will not be shared with the parent / carer in situations where:
 - 12.5.1.1. To do so would place a child at increased risk of harm or neglect
 - 12.5.1.2. To do so would place an adult at increased risk of harm or abuse
 - 12.5.1.3. The concern relates to Fabricated or Induced Illness
 - 12.5.2. The referral will be made to the appropriate Social Care service (See appendix B for contact details)
 - 12.5.3. If the referral has not been acknowledged within 3 working days, the DSL will follow up with Children’s Social Care
 - 12.5.4. The DSL will work with the Local Authority and other partners on behalf of the church to ensure that we fully participate in the safeguarding process
 - 12.5.5. All conversations, correspondence, and documentation etc. will be placed into the confidential file and the “Record of action” and Chronology will be maintained on an ongoing basis
- 12.6. Confidential files will be stored on the PCC leaders Shared Drive in the Safeguarding (confidential) folder (this folder is only accessible by members of the safeguarding team)
- 12.7. The DSL will share information as necessary with other individuals in the church to facilitate effective safeguarding

13. Allegations against or concerns about staff and volunteers

Penistone Community Church takes allegations against our volunteers very seriously and will ensure that they are investigated thoroughly, via a transparent process that expedites the matter in a timely manner. We recognise that that we have a responsibility to take the allegation seriously, to manage the situation effectively while the investigation takes place and to and to support the person accused throughout the process.

- 13.1. Allegations against volunteers within the church should be reported to Catherine Burnham (Designated Safeguarding Lead) via secure email: lead.safeguarding@penistonecommunitychurch.org.uk or Dyfrig Hughes (Deputy Safeguarding Lead) via secure email: deputysafeguarding@penistonecommunitychurch.org.uk
 - 13.1.1. If the allegation is against the Designated Safeguarding Lead it should be reported to the Deputy Safeguarding Lead and vice versa.
- 13.2. Full details of the allegation will be recorded
- 13.3. The church’s investigating officer will assess whether any immediate action is required to ensure the safety of everyone involved
 - 13.3.1. Dependent upon circumstances and the immediate action required, notifying the individual that an allegation has been received may be unavoidable
 - 13.3.2. If so, care will be taken not to compromise the gathering of evidence.

- 13.3.3. If it is necessary to notify the individual at this stage, details of the allegation will not be divulged
- 13.3.4. Support must be offered to the subject of the allegation as well as any potential victims
- 13.4. At the earliest opportunity, the LADO (Local Authority Designated Officer) should be consulted
 - 13.4.1. If the LADO cannot be contacted due to working hours, initial advice can be sought from Christian Safeguarding Services (CSS)
- 13.5. If the allegation meets the threshold for LADO, the church's investigating officer will work with LADO to ensure that the allegation is thoroughly investigated, and all issues raised are addressed
- 13.6. If the allegation does not meet the threshold for LADO, the investigating officer will consult with CSS, who will provide independent support and advice to ensure transparency
- 13.7. Thorough records of all aspects of the handling of the allegation will be retained throughout the process.
 - 13.7.1. These records will be held confidentially on the PCC Leaders Shared Drive (with access restricted to those who 'need to know')
- 13.8. The DSL will seek and follow specialist advice throughout the process

14. Management of ex-offenders or those who pose an actual or potential risk to others; particularly to vulnerable people

As a church, we believe in the power of God to forgive and transform individuals. We also believe that every individual is valuable to God and should be protected; particularly those who are vulnerable.

- 14.1. Where the church becomes aware that an individual is an ex-offender or that they may pose a risk to vulnerable people, the church leaders will enter into an open and frank discourse with that individual to understand the context and the risks
- 14.2. With the consent of the individual (if required), the church will seek to work in partnership with probation services or other agencies supporting the individual where this is appropriate
- 14.3. The leaders will assess the risk posed by the individual and a formal risk assessment will be formulated
- 14.4. A formal agreement with the individual will be drawn up and will be signed by the church elders. The agreement will include:
 - 14.4.1. The church's commitments to the individual who poses the risk
 - 14.4.2. The steps the church will take to support the individual while simultaneously protecting everyone in the church community
 - 14.4.3. The restrictions and conditions that will be applied to the individual's involvement in the life of the church
 - 14.4.4. The consequences of failure to comply with the agreement
 - 14.4.5. When and how the risk assessment and formal contract will be reviewed
- 14.5. All decisions and agreements will be formally recorded and securely stored
- 14.6. The individual who poses a risk will be fully involved in the planning process and information will only be shared with church members by the leaders either:
 - 14.6.1. With the agreement of the individual who poses a risk
 - 14.6.2. Where information needs to be shared to protect vulnerable people and then, only the minimum information that is essential will be shared and the individual will be informed in advance what information will be shared
- 14.7. If the individual chooses to leave the church to avoid the management of the risk and starts to attend elsewhere, the church leaders will take specialist advice as to whether this information should be passed on

15. Complaints and concerns

Penistone Community Church recognises the importance of listening to all members of our church community, including those who find it hard to make their voices heard and those who hold contrary views to the church leadership. The trustees will proactively seek the views of all who engage with the church in a

variety of ways; however, we also recognise the importance of responding well when concerns, criticisms or complaints are raised with us.

It is our hope that the majority of concerns that do not meet the statutory thresholds for referral to external agencies can be resolved informally through constructive discussion and in line with Matthew 18: 15-35, however, we recognise that for a variety of reasons, resolution via such dialogue will not always be possible or appropriate. This procedure seeks to establish a robust process for dealing with complaints or concerns that have not or cannot be resolved through informal discussion.

Use of informal discussion (as described above) is **not** a prerequisite for initiating the formal complaint process. Not all complaints will involve a safeguarding element. The same process will be followed for all complaints.

Complaint's log

- 15.1. Penistone Community Church will maintain a log of all complaints (See appendix F)

Anonymous complaints and media campaigns (including social media)

- 15.2. Complaints that are made anonymously cannot be handled in the usual way and will generally be filed without full investigation.
- 15.3. Complaints that request a level of confidentiality that would compromise the integrity of an investigation, or its outcome will not be investigated, but may be considered in general terms. They will generally be filed without full investigation
- 15.4. Penistone Community Church will not respond to complaints made in public space such as social media or other online or in-print publications. All complaints should be addressed to Penistone Community Church directly using this complaints process
- 15.5. Although anonymous complaints cannot, by definition, be handled in the usual way, Penistone Community church will:
- 15.5.1. log the complaints
 - 15.5.2. Seek to establish whether any pattern or consistency can be identified
 - 15.5.3. Consider whether any form of investigation or action can and should be taken

External investigations

- 15.6. Concerns, complaints, and allegations will generally be investigated internally
- 15.7. In exceptional circumstances such as where Penistone Community Church has concerns about the independence or competence of staff, or their capacity to conduct a timely investigation, Penistone Community Church will consider whether it is appropriate to involve an independent external individual or organisation to assist with the investigation
- 15.8. Unless directed by a statutory or regulatory body to involve an independent, external body, Penistone Community Church will make such decisions. Advice can be sought from CSS or other sources, but this decision rests solely in the hands of Penistone Community Church trustees and senior leaders

Making a complaint

- 15.9. Complaints should be addressed to one of the Elders (Dyfrig Hughes or Lourens Van Tonder). If in writing, this can be sent via email: elders@penistonecommunitychurch.org.uk
- 15.9.1. If the complaint is about the Elders, the complaint should be addressed to the Trustees (Stewart Andrew, Rebecca Meredith or Catherine Burnham). If in writing, this can be sent via email: trustees@penistonecommunitychurch.org.uk.
- 15.10. The details will be entered into the complaints log and progress to conclusion will be tracked

- 15.11. The Elders will inform the Trustees of the complaint and an initial plan of action will be developed
- 15.12. Consideration will be given to whether a Serious Incident Report to the appropriate charity regulator is required
- 15.13. An Investigating Officer(s) will be identified

Preliminary actions

- 15.14. The Trustees or the Investigating Officer may consult with CSS, who will provide independent support and advice to ensure transparency
- 15.15. The Investigating Officer will acknowledge receipt of the complaint and will notify the complainants of the initial plan of action which will include:
 - 15.15.1. Discussing the complaint with the complainants to confirm and clarify the details of the complaint
 - 15.15.2. Details of the complaint process and of key contacts will be provided to the complainants
 - 15.15.3. The investigating Officer will establish whether the complainants wish to start the process at stage 1 (informal resolution) or stage 2 (formal investigation)
 - 15.15.4. A detailed investigation plan will be developed by the investigating officer and signed off by the Trustees

Stage 1 – Informal resolution

- 15.16. Where possible, Penistone Community Church prefers to commence at this stage; believing this to be best aligned to the biblical principles, however, this will be a decision for the complainants, and if they request commencement at stage 2, that decision will be fully respected by the church
- 15.17. The investigating officer, supported by a note-taker if required will arrange to discuss the matter with the complainants
- 15.18. The aim at this stage is to establish whether agreement can be reached about action that is required
- 15.19. Penistone Community Church will make a written record of the discussion that includes:
 - 15.19.1. The key points discussed, and views expressed
 - 15.19.2. Areas of agreement
 - 15.19.3. Areas of disagreement
 - 15.19.4. Conclusions and actions agreed
- 15.20. A copy of the written record of the meeting will be provided to the complainants who will have opportunity to request amendments or clarification
- 15.21. Once agreed, the complainants will be asked to confirm the accuracy of the notes of the discussion

If resolution has been agreed

- 15.22. Once Penistone Community church have completed the agreed actions, they will notify the complainants of the action taken
- 15.23. The complainants will be asked to confirm that they are happy that the matter has been addressed
- 15.24. The complaints log will be updated, and the notes will be stored securely

If resolution has not been agreed

- 15.25. A record of the closing position of the informal stage will be agreed between these complainants and the Investigating Officer. This will include any progress made and actions agreed / completed and the issues that could not be resolved
- 15.26. The closing report will be signed off by the Trustees, who will escalate the matter to the formal stage

Stage 2 – formal investigation

- 15.27. Complaints at the formal stage will be reviewed by the Trustees to establish whether there are sufficient grounds for a full investigation
- 15.28. If a full investigation is required / justified, this will be agreed and authorised
- 15.29. The “Investigation officer” for this stage will be agreed
- 15.30. An investigation plan will be developed and communicated to the complainants
- 15.31. The matter will be thoroughly investigated, and a final (Stage 2) report will be delivered to the Trustees for sign off
- 15.32. Once signed off, the outcome will be communicated to the complainants,
 - 15.32.1. The complainants will be notified of their right of appeal and of the process and timescales for doing so
- 15.33. All records will be stored confidentially

Stage 3 - Appeal

- 15.34. If the complainants believe that the process or findings if the formal investigation is incorrect, they can raise their concerns using the appeal process
- 15.35. The complainant must clearly outline the basis of the appeal and the justification for appealing the process and / or outcome.
- 15.36. The trustees will consider the grounds of appeal and decide whether the appeal is justified
- 15.37. The appeal will be conducted by a suitably skilled individual(s) who were not part of the stage 2 investigation (excluding the sign off process) and who are not involved in the complaint
- 15.38. An appeal report will be produced and submitted to the trustees (or the subgroup thereof) for final signoff
- 15.39. The complainants will be notified of the outcome of the appeal and their options of further action (e.g., referral to the Charity regulator, the police, or the Local Authority etc. will be provided.
- 15.40. The process will be reviewed to identify lessons that can be learned

16. Concerns about practice and whistleblowing

Penistone Community Church strives to create an environment that is open, transparent, and accountable. We want to listen and respond well to any concerns raised by our leaders and volunteers.

- 16.1. Leaders and volunteers are encouraged to raise concerns about process, practice, or culture with the ministry team leader
 - 16.1.1. If they do not feel able to do so, or if they feel that concerns raised have not been given due consideration, they can be raised with one of the elders (Dyfrig Hughes or Lourens Van Tonder), or with the Safeguarding Trustee (Rebecca Meredith) or the Chair of Trustees (Stewart Andrew)
- 16.2. The concerns will be carefully considered, and a formal response will be provided to the individual explaining the decision. The examination of the concerns raised may conclude:
 - 16.2.1. The concerns are wholly or partially valid and require corrective action
 - 16.2.2. That the concerns did not take account of all relevant factors, and no further action is required
 - 16.2.3. That the concerns were invalid and have been dismissed
- 16.3. If the complainant is not satisfied with the response, they should formally raise the matter with the Safeguarding Trustee (Rebecca Meredith) or the Chair of Trustees (Stewart Andrew), explaining their concerns about the adequacy of the initial response. Details of how this can be done will be communicated at the same time as the initial response
- 16.4. Once the Trustees have considered the matter, they will formally respond to the complainant in writing, explaining their findings and the rationale for their decision

- 16.4.1. Details of how to raise the complaint externally will also be provided as part of the response
- 16.4.2. This will include contacting the Charity Commission, details of the NSPCC whistleblowing helpline and any other measures that the trustees wish to offer

Safeguarding Statement

We want everyone who comes into contact with us to feel safe, valued and cared for. We believe that each person is made in the image of God, and as a result have an inherent dignity and worth.

We also recognise that we live in a sinful world, where human beings rebel against God and his ways for us, and harm one another in innumerable ways. We believe that the human heart is wicked and deceitful and that we are all capable of falling into sin.

We believe in the good news that God offers us: forgiveness and new life if we will receive Jesus Christ as our saviour and Lord. We believe that when we submit to God and allow him to work in us by his Holy Spirit, we will grow in our faith and gradually become more like Jesus. Our greatest purpose and joy is to be in relationship with God, and to know his transforming work within us that gives us the power to change and become more Christlike; living lives that glorify God.

The church is a place where the love of God for each person is displayed and where we live, learn, and grow together in our faith. This involves supporting, encouraging, and even challenging and rebuking one another when we sin; all for the glory of God and for our individual and mutual good. We believe that God sees everything and that he knows even our secret and hidden sins and that one day each of us will stand before him as our judge.

As we journey and grow together in this life of faith, we recognise that we are not perfect and that at various times we will all have to both offer and seek forgiveness from others. We do, however recognise that within our church there is risk that individuals or groups may harm, abuse, or exploit others. We as a church wish to stand against any misuse of power, abuse, or exploitation. We all have a responsibility to care for and protect each member of our church community, but particularly those who are weaker or more vulnerable.

If you have any concerns about the way that you, or anyone else has been treated, or about anything that we do as a church, please speak to one of the Elders or to one of our Safeguarding Officers. You can find out who they are from the posters on the notice boards. Our safeguarding policy and procedures are available on our website.

As a church we take safeguarding seriously and we work with local and national organisation to help us to do all we can to keep everyone safe. We will fulfil all our legal duties to protect both children and Adults at Risk of Abuse, but we aim to go above and beyond and to discharge our safeguarding duties in a way that is biblically faithful and pleasing to our loving heavenly father, who calls us to do justice, love kindness and to walk humbly before him.

We commit to speaking to you openly and honestly if we have any concerns that you need to know about. If you have any concerns or require any support of help, please do not hesitate to speak to someone that you trust within the church.
